

Glen Rock Lacrosse Field Directions

Glen Rock High School Field 400 Hamilton Ave

From RT 208

Take Maple Ave North Exit for Glen Rock. After exiting onto Maple Ave North, make a right at first light onto Harristown Rd. Go approximately 0.6 miles (over train tracks) and make a right onto Radburn Road. Make your first left onto Kirkwood Place (a one-way street) and turn into High School parking lot.

From Ridgewood, Ho-Ho-Kus and Allendale

Head south on Maple Ave. (RT 507) to Glen Rock. After passing Central School on your right, take next left onto Hamilton Ave. (just prior to traffic light at Maple and Rock Rd.). Stay on Hamilton to its end and make a right on Harristown Rd. Make the first left onto Radburn Rd. Take the first left onto Kirkwood Place (a one-way street) and turn into High School parking lot.

St. Catharine's Church Field 905 Maple Ave

From RT 208

Take Maple Ave North Exit for Glen Rock. Head towards Glen Rock on Maple Ave. for approximately ¼ mile. Make a right into St. Catherine's Church parking lot.

From Ridgewood, Ho-Ho-Kus and Allendale

Head south on Maple Ave. (RT 507) to Glen Rock. Go through traffic light at Rock Road (Exxon station on right) for approximately ¾ of a mile and make a left into St. Catherine's Church parking lot.

Upper Faber Field Doremus Ave

From RT 208

Take Maple Ave North Exit for Glen Rock. Head towards Glen Rock on Maple Ave. for approximately 1 mile. Make a left at second traffic light onto Rock Rd. Go through town and over second set of railroad tracks. Make next right onto Doremus Ave. Go approximately ½ mile and Upper Faber Field is on left (field is in back of GR recycling center, with large light stanchions surrounding it).

From Ridgewood, Ho-Ho-Kus and Allendale

Head south on Maple Ave. (RT 507) to Glen Rock. Make a right (at traffic light) onto Ackerman Ave. After passing under train trestle (approx. ½ mile), make next left onto Doremus Ave. Upper Faber Field is approximately ¼ mile down Doremus on the right (field is in back of GR recycling center, with large light stanchions surrounding it).
